**SUPPLEMENTARY INFORMATION:** As required by the Paperwork Reduction Act of 1995, (Pub. L. 104-13, 44 U.S.C. chapter 35) as amended by the Clinger-Cohen Act (Pub. L. 104-106), OPM is soliciting comments for this collection. OPM 1300, PMF Annual Application, is the Federal Government’s centralized source for current and recent graduates to apply to the PMF Program to be selected as Finalists and reflects the minimal critical elements collected across the Federal Government to begin an application under the authority of Executive Order 13572 of December 27, 2010, and subparts A and D of part 362 of Title 5, Code of Federal Regulations. This revision proposes to reinstate a previously approved collection with revisions. Revisions include a new multi-part assessment process during the application process for all applicants and a structured interview for those applicants selected as Semi-Finalists. The burden hours have been adjusted as a result of the changes. Therefore, we invite comments that:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
2. Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
3. Enhance the quality, utility, and clarity of the information to be collected; and
4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.
